

22 Eirung 1974

Dear mes Nixon.

Those fur Teturned from a discreet trip to South America Where I saw Crossland Medici hacilia, header beron in Azentina, President Proster i Chile and broadent Velasco in Penn. All of them Expressed the Weimor admiration for the President and fryon.

heselow Velasco (Who hos recently had a lay amputated) and my Velasco asked me most presently to lower their Warm quetures to you and to tell you that heather they has the Convince people Died frest your Kindnessed Warmth dury your Visit to the Earthanake areas. They sake bitch grant feeling endemotion of your Thought your hard like to know. With Every a old with.

Dine Walles
